STANDARDS

Chassis

- + Freightliner XCR Raised Rail Chassis
- + Cummins ISB turbo diesel 6.7 liter 360 HP, 2600 RPM, 800 LB/FT @1800 RPM
- + Allison 3000MH 6-speed transmission
- + Optiview glass instrument panel
- + Steering wheel - w/radio audio, wipers, engine brake, cruise & transmission mode control
- + 120v Engine Heater 750W
- + 22.5" Polished Aluminum Wheels
- + Michelin X line energy Z 275/80R22.5 tires
- + Trailer Hitch, 10,000 # capacity
- + 100 gallon, locking dual fill fuel tank
- + Driver side mounted 13 Gallon DEF tank
- + Day time running lights
- + 7-Pin tow power connector
- + 18.7 CFM air compressor
- + Farr Eco-air cleaner
- + Air filter restriction indicator
- + Brake line air dryer w/heater
- + Automatic, heated moisture ejectors
- + Heavy duty-windshield wipers w/intermittent function

- + 160 amp alternator
- + Full air ABS brakes w/ auto slack adjuster
- + Two (2) 1900 CCA at 0 degree Fahrenheit, maintenance free 12V batteries
- + Variable exhaust brake
- + Suspension Neway front and V- Ride rear
- + Sachs custom tuned shock absorbers
- + 55 degree wheel cut
- + Auto air suspension deflation system
- + Rear mounted radiator
- + Transmission oil cooler
- + 5 year / 100,000 mile coolant (some maintenance required)
- + Electronic cruise control w/ high idle

Construction & Exterior

- + Fiberglass front and rear caps
- + Full body painted exterior
- + Four (4) point fully auto hydraulic leveling system w/ auto air dump
- + Steel basement structure
- + Tru-Brace Anti Camber chassis support system
- + Rust resistant aluminized steel chassis skirts
- + Diamond shield front mask protective film

- + Top-mount remote mirrors with heat & sideview cameras
- + Frameless dual pane, dark tint windows
- + Automotive foam and Ziebart seal undercoating
- + Carefree power door awning
- + Carefree Latitude dual pitch patio awning w/LED lights & wind sensor
- + Carefree s/o topper w/covers
- + Full height strut assisted compartment doors w/full pass through storage
- + "One Key" system, ext-compartment, entry door & fuel fill doors
- + Quiet integrated A/C intake/ducting roof system
- + Crowned and layered vacuum bonded fiberglass roof
- + Vacuum bonded 3" floor w/ tubular aluminum frame
- + Gel coat vacuum bonded sidewalls, s/o floors & walls
- + Block foam polystyrene insulation in walls, roof and floors
- + 30" Entryway
- + Channeled drains for A/Cs
- + Tube steel firewall with polystyrene insulation
- + Lighted exterior assist handle
- + 84" interior ceiling height
- + PTL steel entrance door with deadbolt (Keyless Prep)
- + Auxiliary air chuck (front driverside compartment)
- + Auxiliary LP supply, quick connect (passenger side)
- + LED Marker Lights

- + Full length mud flap with chrome "Berkshire" name
- + Slide tray in basement compartment

Electrical

- + 50A service w/auto transfer switch & 30' power cord
- + 8kW Onan diesel generator w/manual slide tray
- + Energy management system
- + Electronic house power disconnect switch
- + Generator start/stop switch (On dash/bedroom)
- + Multi-plex w/Precision plex app control
- + Dimmer control lighting throughout
- + LED lighting package
- + Individual bed led reading lights in overhead
- + 2000w pure sine wave inverter/charger
- + Auto generator start control
- + Four (4) Six volt deep cycle house batteries
- + Chassis & house battery bank master shut off switches
- + LED porch & patio lights
- + Solar prep w/mppt controller and roof prep (550w capacity)
- + Automotive chassis fuse panel (front driverside compartment)

Plumbing

- + Variable speed 4GPM water pump
- + Individual zoned hot/cold manifold water supply system
- + 4-way water management valve in water bay compartment
- + Bath - Solid surface under mount sink
- + Kitchen - Farmhouse stainless steel under mount sink
- + One piece fiberglass shower w/ tempered glass door & skylight
- + Whole house water filter
- + Black water tank flush system
- + Kitchen single lever faucet w/ pull-out sprayer
- + Porcelain china bowl toilet w/foot flush
- + Tecma macerator toilet (rear bath) N/A 34QS
- + Clean-easy exterior shower hose
- + Convenience monitor panel in water bay door
- + 360 Roof vent caps

Berkshire

*Fresh water tank includes quick drain valve | Please see back cover for more information regarding weights

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
