 **COMFORT AND CONVENIENCE...**

Living off the map doesn't mean you have to live like it. Our spacious Endura floorplans feature a well equipped galley, space saving entertainment options, comfort plus furniture, H-ducted ventilation system, large beds and plentiful wardrobe storage giving you all the comforts you would enjoy at home.

ENDURA

6341 Kitchen Galley features a 3-burner high performance range, 2-door refrigerator, deluxe countertops and large convection microwave.

6341 Overhead Entertainment center standard features a large flat screen TV, surround sound and plentiful CD/DVD storage. We also offer an optional cabover sleep area and side-over television that swings in for sleep and travel.

6341 G-Sound Speaker
This patented speaker enhances your listening pleasure.

 **INNOVATIVE FEATURES...**

Our innovative Three-Zone living concept is revolutionary. The opposing slide outs expand the 6362 to enormous proportions. Three individual zones include, family/living room, dining room/galley and private sleeping quarters with Queen bed and pass through bathroom accessible from the bedroom or dining room.

ENDURA

6362 Island Entertainment Center features a 26" LCD tv surrounded by beautiful hardwood cabinetry.

Comfort Plus Dream Dinette 6341 gives you the best comfort in the industry with comfort-plus seating made with steel and springs, not plywood and foam. The dinette also converts to another sleeping area and the flip-up seats allow access to under seat storage.

Oversized Cabover Bed features a 20" LCD TV and comfortable area providing extra sleeping accommodations.

ENDURA Bedrooms give you comfortable beds, spacious closet space and flexible sleeping options. With convertible dinette, bunk beds and cabover bed option, you have the ability to sleep many comfortably. While the 6341 offers the bunk bed's with drop down lcd screen tv's.

CHASSIS COMFORT AND SAFETY...

When living the life of an RVer, half the fun is experienced enjoying the open road. It's no wonder that Conquest motorhomes and Chevrolet focused greatly on the ergonomics, handling, weight capacities and safety of the Chassis to keep you safe and comfortable. Even when fully loaded.

ENDURA

Chevy Kodiak Chassis

Gas Only

Rust-Prohibitive Coating on Frame

Breakaway Mirrors

Easy Access Pull Forward Hood

Powerful Chevrolet Gas Engine

Up-Level Headlights with chrome treated front bumper and grill

Multi-Leaf Suspension

Four Wheel Disc Breaking

Ergonomically Spaced Steps

- INTENSE 19,500 LB. GVWR
- UP TO 3,000 LBS. CARGO CARRYING CAPACITY
- SUPERIOR TOWING CAPACITY 26,000 GCWR
- 10,000 LB. HITCH RATING*
- 19.5" TIRES

STABIL-RIDE Suspension System

The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway, particularly while cornering, and superior straight-line stability.

Gulf Stream specifies an extra heavy duty hitch rated at 10,000 lb. However it is up to the owner not to exceed the Gross Combined Weight Rating (GCWR).

GCWR is calculated as follows:

- 19,500 GVWR is loaded to its maximum of 19,500 lb. This would leave 6,500 lb. towing capacity to 26,000 GCWR.

Towing capacity can be increased by reducing payload appropriately.

ALLISON™ 1000 SERIES AUTOMATIC TRANSMISSION (standard)

5 speed	Gross Torque (lb-ft)
1000	620

VORTEC™ 8.1 LITRE V8 GASOLINE ENGINE (standard)

HP	Torque LB-FT
325hp	450

BEST-IN-CLASS TURNING RADIUS

Chevy Kodiak C4500/C5500
35' Turn Diameter
54° Wheel Cut

Midsized Car

Ford F-450/F-550* - 52'

Three-step prime/base/clear coat process for hood and cab provides outstanding resistance to corrosion and fading, lowers maintenance costs and increases resale value.

- GCWR - 33,000
- GVWR - 25,900

Two-way breakaway mirror design can withstand an impact up to 9-mph, which eliminates door damage and reduces repair and replacement costs.

- Heavier Duty 2500 Series Allison Transmission!

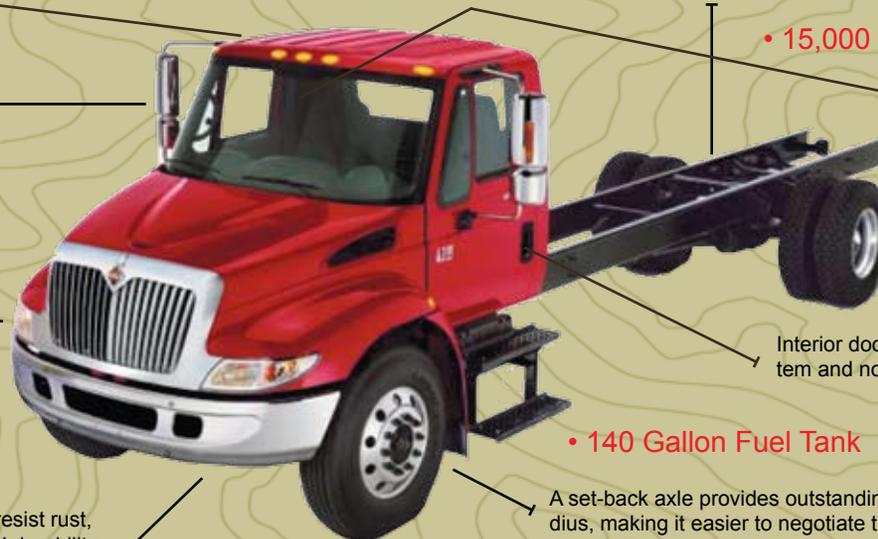

Standard composite construction headlights with halogen bulbs are longer-lasting and easy to replace for increased uptime.

A clean frame rail CA (cab to axle) simplifies body and equipment mounting.

- 15,000 lb. Hitch Rating*

The front windshield features over 2,000 sq. in. (12,903 sq. cm.) of glass for excellent visibility. The one-piece design, thicker outer glass and swept-back angle increases safety and noise control - while helping to deflect road debris.

International Diesel Chassis

- VT365 International Diesel; 300 HP

Interior door handles wide door openings, three-point entry system and non-slip treaded steps provide easy entry and egress.

- 140 Gallon Fuel Tank

A set-back axle provides outstanding maneuverability and a tight turning radius, making it easier to negotiate through cramped spaces, which increases driver efficiency and productivity.

Powder-coated components resist rust, chips and scratches for added durability and longer-lasting good looks.

- 266"-278" Wheel Base

**towing based on model and customer load requirements

A NAVISTAR COMPANY

Standard Paint with Hi-Tech Vinyl Graphics

Optional Full Body Paint Burgundy & Tan

Optional Full Body Paint Black & Tan

Full Body Paint Exterior adds elegance and increases the resale value of the Endura. We use high-quality Martin Senour paints which have proven to be durable and easy to match by most body paint specialists if touch-ups are needed. Our in-house paint department is regarded to be the best and most thorough in the RV industry.

Automotive Style Window and mounting system creates a low maintenance aerodynamic, sleek modern appearance on the exterior. (Not Available with cabover entertainment center.)

Overhead Picture Window provides a wide open feeling, letting in natural light and the beautiful landscape. A full length shade offers privacy and shade when you need it.

Exterior Storage Compartments come standard with carpet, lights, weather seals, and lockable slam latch doors. New Side-open doors complete the cavernous storage, making them even more convenient to open.

CHASSIS COMFORT AND SAFETY...

When living the life of an RVer, half the fun is experienced enjoying the open road traveling to your destination. It's no wonder that Conquest motorhomes and Chevrolet focused on the ergonomics, handling, visibility and weight capabilities of the Chassis to make your travels safe and comfortable.

ENDURA

SUPER STRENGTH TRUSS SYSTEM

8" (KODIAK) & 10.5" (INTERNATIONAL) C CHANNEL EXTENSION

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" on Kodiak or (10.5" on International) C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

ENDURA, Dare to Compare

1. Fiberglass Roof For Greater Energy Efficiency and Dependability.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
8. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
10. "Super Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability. (Option)
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
12. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
13. Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor and comes with a 10-Year Warranty.
14. Heavy-Gauge Tubular Steel Framing, Fixture Welded for Extra Strength and Stability.
15. Heavy-gauge Tubular Steel Framed, Fixture Welded Floor Truss System Provides the Strongest Class C Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.

Unlike traditional plywood and foam seating **Comfort Plus Seating** features the strength of steel and the comfort of a sprung dinette cushion.

PRE-DRILLED
HARDWOOD
CONSTRUCTION

**SOLID
HARDWOOD
CABINETRY**

COMPETITOR'S CABINETRY

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood, resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

Added, Value

The Endura has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroom.

Dual metal H-Ducted air conditioning system eliminates mildew causing condensation and is wrapped in foil bubble insulation for improved climate control.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Excellent Weathering -

Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance -

Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance -

Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance -

Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity -

Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass -

Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

The Endura includes flush floor slides for a clean residential look and feel.

Value, Added

G.O.L.D. Program

(Gulf Stream Ownership)

Lifetime of Dedication

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is but a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.

ENDURA

CONQUEST
MOTORHOMES

The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks.

Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions, and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5 S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to www.gulfstreamrv.com for more information.
