

2021 DIESEL MOTOR COACH

KOUNTRY STAR

Experience Luxury, Naturally

Improving on an instant classic, the 2021 Kountry Star is like a walk on familiar terrain but with a whole new outlook. With a Comfort Drive™ steering system and 360-horsepower Cummins engine, it's ready to take you wherever you want to go. A full-paint Masterpiece™ finish, with several graphic options available, assures you'll stand out against any backdrop. A total of nine floor plans and an array of standard features and options make the Kountry Star the perfect place to relax after enjoying a day out on the trails—or anywhere else your travels take you.

Take in the Scenery 2021 Kountry Star

Comfortable—and striking—both inside and out, the Kountry Star is designed to help you take in the scenery around you. With frameless double-pane windows with tinted safety glass and slideout awning covers included standard, plus the Carefree Travel'r power side and entrance door awnings with Alumaguard®, you can relax wherever you see fit. After an invigorating hike, take in the game on the optional outdoor entertainment center with Samsung® LED TV and a soundbar—all powered by an 8.0 kW Cummins Onan® diesel generator.

Make Anywhere a Retreat

Hitting the trailhead starts with getting there. The cockpit of the Kountry Star features deluxe captain's chairs, made even more comfortable with six-way power adjustments. An audio system with a subwoofer and Bluetooth connectivity lets you fill the space. Don't miss a thing around you thanks to side-view cameras, and stay on track—or get off the map entirely—with the optional Rand McNally navigation system. Several available Wi-Fi connectivity packages open up a world of entertainment options for when it feels right to relax inside.

Trailblazing Style

Sinking into comfort after a long day outside can't be beaten. With deluxe furniture throughout the living room in a variety of configurations, you'll always feel like you're living in the lap of luxury. From the jackknife sofa to recliners or optional theater seating, you can pick your favorite way to relax. Cool off with the Penguin™ heat pump air conditioner. Lose yourself in the LED TV, Sony® Blu-ray players, and JBL speakers. And the grouted luxury vinyl tile flooring—or upgraded vinyl plank flooring—means no worries about tracking in part of the trail with you.

Dine in, Anywhere

Outdoor exploring and fine dining aren't mutually exclusive. A new Suburban Elite 3 three-burner gas cooktop, a stainless steel convection microwave, and optional Whirlpool® refrigerator aren't only gorgeous—they make fueling up a breeze. An undermount stainless steel sink paired with polished solid surface countertops adds a natural air of luxury to your kitchen, while maple cabinetry and soft-close drawers and an optional pantry offer generous storage space. A variety of dinette options are available to suit, whether it's dinner for two or hosting a gathering.

Sleep in Style

The bedroom spaces of every Kountry Star are designed to get as comfortable as possible after a long day on the trails. An immensely comfortable queen or king bed fits the surrounding decor, and features a pillow top mattress (which can be upgraded to a Sleep Number®). A Samsung® LED TV is mounted across from the bed, with a Sony® Blu-ray player to let you enjoy a last bit of entertainment before drifting off to sleep. Smartly tucked in a cabinet are an optional Splendide® two-piece stacked washer and dryer. And, of course, the bedroom features a wealth of wardrobe and storage space.

Rinse the Day Away

The bathroom pictured offers a spacious fiberglass shower with sliding glass door, perfect for washing the day away. A vessel sink sits atop the beautiful solid surface countertops; the space also includes a linen closet. Other layouts offer a rectangular undermount sink. In some floor plan options, a mid-ship half bathroom is available to you and your guests, including linen cabinets and a vessel sink.

A Wealth of Options

In floor plan 4037, a step-up master bathroom opens up into a fiberglass shower with sliding glass doors. Copious amounts of storage are found in the vanity and medicine cabinet, as well as additional storage spaces. A rectangular stainless steel sink sits between two wardrobes. With a variety of bathroom setups available in different floor plans, you can find a personal retreat that best fits your needs.

An Outdoors for Everyone

The 2021 Kountry Star 4011 offers all of the luxury and amenities of the standard coach, with the incorporation of wheelchair-accessible designs. The large door features a BraunAbility® electric lift. A large dinette area has space for a wheelchair, with a spacious kitchen and a microwave below the counter. An optional fireplace with televator can be placed behind the front passenger seat. In the master suite, there is a 48" x 36" roll-in shower and a large vanity for easy wheelchair access. It also features a larger wardrobe.

Space to Spare

The Kountry Star is the best way to get in touch with nature without leaving behind the comforts of home. And the exterior amenities see to that as well. The standard Carefree Travel'r awning makes the outdoor living space as comfortable as the inside, and LED lighting means you can enjoy the outdoors at night as well. Features also include an automatic step at the entry door and hydraulic leveling jacks, both powered by a 8.0 kW Cummins Onan® generator. Lit storage compartments, side-hinged baggage doors, and incredibly spacious pass-through basement storage ensure you won't be in want of space.
