JRIDE PLUS® is a powerful blend of precise handling and renowned stability. Hands down, it's the best ride. **Experience JRide for yourself—visit your local dealer and take a test drive.**

Scan QR code for more information

**COMPUTER-BALANCED DRIVESHAFT** Ensures smooth and efficient power transfer to the wheels

**RUBBER ISOLATION MOUNTS** Positioned near the tires to absorb road shock, dampen noise and minimize vibrations

**STANDARD FRONT STABILIZER BAR** Reduces the body roll of a vehicle during cornering or over road irregularities

**HEAVY-DUTY REAR STABILIZER BAR** A larger bar and polyurethane bushings, instead of rubber, transfer power faster for extra support, more stability and easier handling

**KONI® SHOCK ABSORBERS** Controls bounce and sway when driving over expansion joints and rough roads

**HELLWIG® HELPER SPRINGS** Work with the chassis' existing springs to give the RV more support, improving stability under heavy loads

GREYHAWK FLOORPLANS	EXTERIOR LENGTH	EXTERIOR WIDTH	EXTERIOR HEIGHT (WITH A/C)	INTERIOR HEIGHT	WHEEL BASE	FRESH WATER CAPACITY (INCLUDING WATER HEATER)	GRAY WASTE WATER CAPACITY	BLACK WASTE WATER CAPACITY

Some specs at the time of print may include estimates, for the most updated information, please visit [Jayco.com](http://Jayco.com)

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart above.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UJVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UJVW and the Cargo Carrying Capacity.

### TRAVEL WITH CONFIDENCE • NO ONE OFFERS A BETTER WARRANTY

At Jayco, we build our RVs to handle every adventure, then back them with our industry-leading 2+3 limited warranty. Our 2-year limited warranty has you covered for 2 camping seasons. That's 730 days. In addition, our 3-year structural limited warranty has you covered for 3 camping seasons or 1,095 days. You won't find a better limited warranty in the business, because the only strings that we attach are those that deliver the ultimate in reliability. That's the Jayco difference. So go explore. For a copy of our 2-year limited + 3-year limited structural warranty with complete terms and conditions, please contact your local Jayco dealer.

Generations of family fun.
