A New Star is on the Rise — 2020 Kountry Star

Making its debut in 2020, the brand-new Kountry Star harkens back to a Newmar icon—but it's updated with all the features and finishes today's discriminating traveler demands. Built on a Freightliner® XCR chassis, the Kountry Star presents you with a Comfort Drive™ steering system, cruise control, and a 360-horsepower Cummins engine. Its full-paint Masterpiece Finish™, shown here with Uptown graphics, is an industry exclusive. And with eight floor plans, an impressive list of standard features, and a multitude of available options, you can customize a Kountry Star that's perfect for your travel plans.

A Room — with a View

Greeting you in the Kountry Star cockpit are comfortable yet supportive Flexsteel® Deluxe captain's chairs with six-way power. The audio system features a subwoofer and Bluetooth connectivity, and the dash is outfitted with a digital instrument panel. Side-view cameras enable you to drive safely and with confidence, while the optional Rand McNally navigation system keeps you on the right path. Select one of the available Wi-Fi connectivity packages to stream movies and shows from nearly anywhere. What's more, an optional LED TV may be added in the front overhead for your entertainment.

and Glacier glazed maple cabinetry*

Above — and Beyond

In the living room, you'll find luxurious Flexsteel® Deluxe furniture available in a variety of configurations, depending upon the floor plan and your selections. Pictured here is a jackknife sofa complemented by two optional ottomans, while other options include theater seating, a bunk sofa, or recliners. Penguin™ heat pump air conditioners assure a comfortable temperature while you're relaxing, and an optional fireplace, as seen here, promises extra coziness. Entertainment is provided by way of an LED TV, two Sony® Blu-ray® players, and a Bose® Solo 5 soundbar. Grouted luxury vinyl tile flooring comes standard, shown here, or you may choose to upgrade to vinyl plank flooring. The slide-outs feature hardwood fascia, lending beauty and style to the space.

Full of — Tasteful Touches

Pictured here with a stainless steel convection microwave, three-burner cooktop, and optional Whirlpool® refrigerator, the Kountry Star kitchen easily mixes style with functionality. Polished solid surface countertops surround an undermount stainless steel sink, and the Glacier glazed maple cabinetry features soft-close drawers in the base cabinets. The pantry in floor plan 3709 presents you with generous storage, while a kitchen window brightens the space with natural light. The optional buffet dinette shown here welcomes you at mealtime, and a selection of additional dinette options is available to suit your needs.

All in — the Details

At the end of each day, Kountry Star's master bedroom offers you a serene, relaxing space in which to refresh yourself. Depending upon the floor plan, a queen- or king-size bed soothes you to sleep with a plush pillow top mattress or an optional Sleep Number mattress, while dual nightstands present you with extra storage for your essentials. Opposite the foot of the bed in floor plan 3709, discover a generous six-drawer dresser with solid surface countertops in addition to two shirt wardrobes. And for your viewing pleasure, an LED TV with a DVD player comes standard.

Your — Personal Spa

The step-up master bathroom in floor plan 3709 grants you a fiberglass shower with a glass door, beautiful solid surface countertops, a rectangular stainless steel sink, and additional wardrobe space. Further storage may be found in the vanity and the medicine cabinet. Comprising a Splendide two-piece stacked washer and dryer, an optional laundry station is tastefully concealed behind a cabinet door. In select Kountry Star floor plans, you and your guests are offered a well-appointed mid-ship half bathroom with a stunning vessel sink and linen cabinets.

Always — Exceptional

Read a book or enjoy a drink beneath the Carefree Travel'r power side and entrance door awnings, which feature Alumaguard® and LED strip lighting. The optional outdoor entertainment center, pictured here, provides you with a Samsung LED TV and a soundbar—the perfect centerpiece for hosting friends and family. It's all powered by an 8.0-kW Cummins Onan® diesel generator. Extra-tall pass-through basement storage enables easy access to your possessions, and an optional patio hammock package adds more relaxation to any getaway. Frameless double-pane windows with tinted safety glass and slideout awning covers are also among the Kountry Star's standard inclusions.
