

MONACO®

DRIVING YOUR DREAM.

CAMELOT™

 | 07

CAMELOT™

SAY GOODBYE TO THE STATUS QUO.

Cast aside all thoughts of ordinary coaches, and say hello to a whole new level of distinction — the 2007 Camelot. Inside, you'll find plush new furnishings, all new decors, even smart new options like the tile runner shown here. Add our Super Savings Package and the spacious luxury of a new full-wall slide on the 42SFT, and you're way ahead of the pack.

**COCKPIT.** When it's time to kick back, the Ultraleather™ cockpit seats double as posh recliners. And for your viewing pleasure, there's a 32" LCD flatscreen TV with DVD player and surround sound. A digital satellite system is optional.

FULL-WALL SLIDE

▼ PANAsuite™

### ENJOY LIFE TO THE FULLEST.

Here's a big idea. What if, instead of having two slides side-by-side, you had one luxurious long one? Introducing PanaSuite™, the new full-wall slide from Monaco Coach Corporation. Just imagine it. Wide open aisles. No obstructions or tight corners. And more livability at every turn. Ahhh yes, we *thought* you'd like that.

*PanaSuite™ is standard on the new 42SFT.*

LUXURY. INNOVATION. HAPPY TRAVELERS. IT ALL SAYS MONACO.

INTERIOR

Wherever you travel across America, it's easy to spot the Monaco owners. They're the ones with the smug, happy grins on their faces. And who could blame them? When you own a Monaco, you own the best. The best in luxury, performance, safety, technology and comfort. It's all here. And it's all yours for the taking. Come on, freedom lovers. Make your move to Monaco luxury. After all, you already know how to grin.

42PDQ | NATURAL CHERRY | SADDLEBACK II

## CAMELOT™

Whether you're into French cuisine or PB&J sandwiches, the Camelot makes every meal an occasion. Just look around. *This* is the kitchen you wish you had at home. Notice the versatile microwave/convection oven. The single-lever faucet with pullout sprayer. The big 12 cu. ft. refrigerator with ice maker. And the high-output cooktop, now with three sealed burners to protect against spills.

Underfoot, you'll find beautiful ceramic tile flooring. Behind the work area is a decorative tile backsplash with Corian® molding. And everywhere else? Polished solid surfaces, radius corners, and glossy hardwoods from floor to ceiling. The 2007 Camelot. Your table is waiting.

**DINETTE.** Ready for dinner? The legless polished solid surface dinette table seats four when you add the two folding chairs. On the 40PAQ, the dining area is even larger and features a round hardwood table with windows on two sides.

**ROLL-OUT PANTRY.** When you need more work space, just slide out the handy pantry with countertop extension (on select models). It features the same polished solid surface top as the counters, and there's plenty of room below for extra dry goods and utensils.

42PDQ | NATURAL CHERRY | SADDLEBACK II

LUXURY IS SERVED.

CAMELOT™

HEAVEN ON WHEELS.

42PDQ | NATURAL CHERRY | SADDLEBACK II

After the sun goes down and the shoes come off, this is exactly where you want to be — in the Camelot's master suite. Just lower the blackout day/night pleated shades, and curl up with a good book. Or, if you're the late night TV type, flip on the built-in 20" color TV or optional 20" LCD TV.

Either way, you'll enjoy the luxurious comfort of a queen or king bed. Want a little more lumbar support? The optional comfort air mattress lets you choose the level of support that's just right for you. Other amenities include polished solid surface tops on the dresser and nightstands, plus a built-in hamper to keep things tidy.

**BATHROOM.** Here's where beauty meets practicality. In the bath, you'll enjoy ceramic tile flooring, a no-fuss one-piece shower, satin nickel accessories, and a polished solid surface countertop with integrated sink and Corian® backsplash.

**HIDE-A-BED.** With the optional roadside hide-a-bed, you can sleep two more happy travelers. This versatile sofa-and-sleeper-in-one is available in fabric or leather and comes with an adjustable air mattress for added comfort.

# CAMELOT™

When you're ready to see America, there's no better feeling than sitting behind the wheel. Especially when it's a lighted VIP Smartwheel® with multiplexed controls. From here, you command it all — the new Aladdin™ Junior video monitoring system, the three-camera rear vision system, the Ultraleather™ captain's chair with six-way power and more. Bravo!

**SERVICE BAY.** Everything stays clean and tidy in the well-organized service bay. The compartment is fully insulated and features a hot and cold water shower, soap dispenser, and a paper towel holder for easy cleanup.

**PASS-THROUGH STORAGE.** Our large pass-through bays gobble up just about anything you can throw in. And with the optional slide-out tray, retrieving your belongings is easier than ever. As an added bonus, our baggage doors open from the side, not the top, for contortion-free access to what's inside.

**RV SANI-CON SYSTEM.** This powerful tank drainage system provides greater pumping action so you spend less time handling the hose.

## NO SEAMS. ADDED SAFETY.

With our exclusive Panaview™ 1-Piece Windshield, there's no annoying black rubber seam running down the middle of your windshield. It's the largest unobstructed view in the industry. That's big!

42PDQ | NATURAL CHERRY | SADDLEBACK II

THE BEST SEAT IN THE HOUSE.

CAMELOT™

**Roadmaster**  
Chassis

ROADMASTER RR10S—SERIES CHASSIS Available on the 42PDQ, 42PLQ, 42SFT  
ROADMASTER RR8S—SERIES CHASSIS Available on the 36PDQ, 38PDQ, 40PEQ, 40PAQ, 40PDQ

- 1** Equipped with a steel firewall and steel stepwell for added safety.
- 2** Three monitored leveling sensors (two in the rear, one in the front) continually adjust the air pressure within each air bag to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads.

- 3** Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS), with front and rear drum brakes, gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.
- 4** Our exclusive raised rail design provides for larger full pass-through storage bays with flush floors.

- 5** Frame rails are constructed of 3-1/2" by 8-5/16" by 3/8" 50,000 PSI steel for greater strength; a side-mounted aluminum radiator and intercooler reduce weight, won't rust, and deliver better heat transfer than steel cooling components.
- 6** Ten outboard-mounted air bags work in conjunction with ten gas-powered shock absorbers to prevent road trauma from ever reaching the coach.

## MAY WE BUILD YOU A CHASSIS?

Did you know that every Roadmaster chassis is custom designed and built for the Monaco coach that will ride on it? It's a novel idea, but our owners seem to like it. And it pays off — in better performance, safety and reliability. Owners also like the fact that Roadmaster, a division of

Monaco Coach Corporation, only does one thing: They build chassis for motorhomes. Not trucks. Not buses. Just motorhomes. So naturally, they do it better. No wonder Roadmaster is the leading high-end diesel chassis manufacturer in America.

## OUTBOARD AIR BAG SUSPENSION

The outboard-mounted air bags are protected by two steel plates and are placed farther apart than the competition, providing a wider and more stable platform for the coach. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

The Camelot features a gutsy standard Cummins® ISL 400 diesel engine.

**7** Goodyear tires 295/80R/22.5

**8** Allison® 3000 MH 6-speed World Transmission with electronic shifter.

Our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the Allison® transmission.

**9** Cummins® ISL 400 HP diesel engine.

**10** A 10,000 lb. tow hitch rating is the highest in its class. Pre-wired for supplemental braking system that works with your tow vehicle.

## CONSTRUCTION

### ROOF CONSTRUCTION:

(top to bottom)

- 1/4" seamless one-piece crowned fiberglass roof
- Luaun backing
- 2-1/2" thick, tapered bead foam insulation
- 1-1/2" x 3" aluminum I-beam superstructure on 16" centers is filled with 3" fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

### SIDEWALL CONSTRUCTION:

(left to right)

- High-gloss gel coat fiberglass
- 1-1/2" thick Dow Structure Foam® insulation
- 1-1/2" x 1-1/2" square tubular aluminum frame
- 1/8" luaun
- Wallpaper

### FLOOR CONSTRUCTION:

(top to bottom)

- Carpet pad and carpeting or tile
- Structurwood™
- 1-1/2" Dow Structure Foam® insulation
- 1-1/2" x 1-1/2" square tubular frame
- 1/8" luaun
- Waterproof Darco underbelly

<sup>1</sup>Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This

<sup>2</sup>All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the

<sup>3</sup>Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.
