DIPLOMAT

Freedom Down to the Last Detail.

Floorplans. Furnishings.
And the freedom
to choose.

Are you ready for your dream coach? Then be prepared to pick, choose, and select. That's because the 2003 Diplomat offers you 13 fabulous floorplans (six with triple slide-outs) and numerous furnishing options to give you a living area that perfectly suits the way you live. The luxury starts in the front of the coach with UltraLeather pilot and co-pilot seats with six-way power controls (optional on the co-pilot side). And from there, you have the exciting options of a home theater system with DVD player, 10-disc CD changer, and a fully automatic digital satellite system.

2003 exterior colors, fabrics and woods

For 2003, our designers have selected exquisite fabric combinations for each model of the Diplomat. Now, it's your turn to choose.
