

2005 | AMBASSADOR®

This is Living®

 HOLIDAY RAMBLER®

{ *This is Living* }

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

2005 AMBASSADOR

YEAR BY YEAR, WE'RE RAISING THE BAR.

Welcome to the 2005 Ambassador. This long-time favorite is reaching new heights in comfort and luxury. In fact, this year we've raised the interior ceiling height to a lofty 81". We've also added more features and upgrades than ever before, including the new Blackwood Manor decor with fabrics by Liz Claiborne. And most importantly, the Ambassador now rides on the custom-built Roadmaster RR8R chassis, giving you the best performance in the industry. Couple that with a hefty Cummins® ISC 330 engine, and you'll take to the road with a whole new attitude.

Holiday Rambler®

1954 - 2005

COBBLESTONE DECOR WITH MAPLE WOOD

38PDQ

DESIGNED TO BE THE PERFECT HOME. YOURS.

Inside the 2005 Ambassador, you're surrounded by living quarters where the accent's on living. You'll love the warm, residential feel, thanks to the beautiful cabinetry with hardwood doors, crown molding and the decorative hardwood slide-out fascia. You'll enjoy mealtimes at the cozy booth dinette with drawers — or the optional freestanding dinette and chairs with full-length wall cabinet, shown here. A sleeper sofa adds versatility to your floorplan, providing extra space for family or guests.

In the kitchen, you'll find a remarkable combination of style and efficiency with solid surface countertops, a plexus-stone sink and beveled mirrors. You'll appreciate the many built-in storage spaces, including a pantry with adjustable shelves. And the high-quality appliances include a large double-door refrigerator and a versatile convection microwave.

The bedroom is highlighted by the queen bed with hardwood headboard and an optional pillow top mattress. You'll also have plenty of storage space, thanks to the dresser, closet, overhead cabinets and an oversized rear wardrobe closet (not available on 34SBD, 36PRT, 37PBD and 40PLQ). And for your convenience, the 20" flatscreen TV is now wired to the VCR or DVD player options in the living area.

{ WHERE HIGH-TECH MEANS A HIGHER STANDARD OF LIVING. }

The 2005 Ambassador features countless innovative details to make life on the road easier and more enjoyable. As you look to the front of the coach, you can see the entertainment headquarters, with a 24" flatscreen stereo TV and cabinets for the optional VCR, DVD player or home theater system with surround sound speakers. You'll love the cozy cockpit seats, with six-way power controls on the pilot's side and optional six-way controls and a powered footrest for the co-pilot, shown on the far right.

Highlights of the driver's console include a rear vision system with audio and adjustable camera, giving you eyes and ears for what's behind the coach. You'll also appreciate the adjustable brake and accelerator pedals which make it easy to find the ideal driving position for your height.

Another important feature is the systems control center, which puts many important controls in one easy-to-reach location. And new side-hinged baggage doors with pass-through storage compartments increase the cargo space and give you easier access to your items stowed down below.

The newly designed front cap's contemporary look features stylish headlamps with turn signals and fog lights. It also houses the generator access with a one-piece door and a pullout tray. The power heated mirrors are also mounted in front, giving you better visibility without having to turn your head.

You can pack everything from water rafts to golf clubs in the Ambassador's spacious pass-through compartments. Best of all, with our side-hinged baggage doors, it's easy for you to see and reach everything you store below. So why worry about what to take or leave behind? With the Ambassador, you can take it all.

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Ambassador features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of interlocking aluminum H and C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

Wood

Aluminum
(Butt-Welded)

Alumaframe®
(C-Channel)

TRUSS SYSTEM WITH RUST INHIBITOR:

This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust inhibiting paint.

SLIDE-OUT CONSTRUCTION:

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

ROOF CONSTRUCTION: (top to bottom)

- Peaked aluminum roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION: (left to right)

- Gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation glued in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam saves energy and provides a thermal insulative barrier
- Interior paneling

CUMMINS® ISC 330 ENGINE:

The Ambassador features a gutsy standard Cummins® ISC 330 diesel engine with Allison® 3000 MH 6-Speed World Transmission and electronic shifter.

ROADMASTER RR8R SERIES CHASSIS

**Roadmaster
Chassis**

The Roadmaster Raised Rail RR8R Series chassis was designed specifically for Holiday Rambler's luxury coaches like the Ambassador, and it leads its class in sophisticated features that combine to provide a smooth ride and superior front-to-rear balance.

- Eight air bags work in conjunction with eight gas-powered shock absorbers to prevent road trauma from ever reaching the coach.
- Monitored leveling sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer and floating on curved roads. This system also stabilizes the coach on uneven surfaces.
- A 10,000 lb. tow hitch rating is the highest in its class.
- The exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- Other features include a 3/8" thick frame rail — compared to the 1/4" of other manufacturers — and a stacked aluminum intercooler and radiator for optimum heat transfer and cooling.

FLOOR CONSTRUCTION:
(top to bottom)

- Structurwood™
- 1-1/2" steel tube
- Blue foam
- Luaun
- Darco

CELEBRATING THE FREEDOM OF CHOICE.

At Holiday Rambler, we're dedicated to giving you more ways to create the coach of your dreams. That's why the Ambassador features a wide selection of exciting double, triple and quad slide-out floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the woodwork of your choice, and you'll have a luxurious coach you can truly call home.

BETTER STAIN PROTECTION

Manufactured in, not added on. For added protection against stains, Dupont Teflon® soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP.

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money — whether it's your family's first travel trailer or the motorcoach of your dreams.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM

At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances

caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.
