WHEN WE SAY *MADE TO FIT*,  
WE MEAN IT.

With so many unique models available, Thor Motor Coach motorhomes are priced to fit anyone's budget – from families buying their first motorhome to full-timers looking for a roaming "dream home". No matter how you choose to spend your time or your money, there's a TMC motorhome that fits your needs.

By building a variety of unique styles, sizes and floor plans, Thor Motor Coach offers motorhomes that feel custom-made – at a truly competitive price.

Welcome to the Tuscany, the motorhome that is ***Made to Fit*** your ambitions.

**Made to fit.**

## THE UNDENIABLE FLAGSHIP

A rolling masterpiece is what many will call the remarkable angles and compelling appearance of the Tuscany exterior. The full body paint package features a full sand and buff finish for a long-lasting automotive shine.

MOSAIC FULL-BODY PAINT

OASIS FULL-BODY PAINT

REFLECTION FULL-BODY PAINT

SERENITY FULL-BODY PAINT

SOLSTICE FULL-BODY PAINT

**A | CUMMINS® ISL 8.9L DIESEL ENGINE**

The Tuscany's Cummins® ISL diesel engine is mated to a 6-Speed Allison MH-3000 automatic transmission, providing 450-horsepower and 1250 lb.-ft. of torque. This combination delivers maximum performance, reliability and durability.

**B | FULL-BODY PAINT**

A striking exterior graphics design provides a jaw-dropping experience. The paint process includes alternating layers of paint with sanding in between to provide a glass-like exterior finish.

**C | WHISPER AIR™ CENTRAL COOLING SYSTEM**

Specialized air conditioning system designed to provide maximum cooling. The multiple air returns help move air more efficiently, while the integration with the roof air conditioners reduces interior fan noise.

**D | POWER PATIO AWNING WITH INTEGRATED LED LIGHTING**

A legless, lateral arm awning is fully encased in a metal box protecting it during driving. When extended, the awning does not have legs intruding into the camp area and it has the ability to self-retract in windy situations.

**E | HEATED BASEMENT**

The Aqua-Hot™ Hydronic Furnace & Water Heating System has individual heat exchangers in the basement to keep it toasty and warm. An automatic thermostat kicks the heat on when the temperature outside dips too low.

**F | ZF® INDEPENDENT FRONT SUSPENSION, 60° WHEEL CUT & MICHELIN® TIRES**

With each wheel addressing the road independently, ZF® Independent Front Suspension (IFS) gives you a superior ride and ease of access when turning. IFS allows an amazing 60-degrees, the most in the motorhome business. IFS eliminates bump steer and brake drive normally found on solid I-beam front axles. The 295/80R 22.5-inch Michelin® radial tires provide exceptional handling and responsiveness through an optimized shoulder design. The tires are approved for all positions on the coach making tire rotation easier.

**G | KEYLESS ENTRY SYSTEM**

The front door and storage compartments can be locked with just a push of a button on the remote key fob. The basement doors also have a secondary switch to lock all the doors from the interior of the coach.

*A home needs a strong foundation and that is especially true for the home that rolls down the road. The Atlas™ Foundation under the Tuscany provides an excellent base to construct your new motorhome.*

## LAY THE GROUNDWORK FOR SAFE TRAVELS

The Atlas Foundation™ is the premier building platform and substructure in the industry. Thor Motor Coach has partnered with industry leaders, Freightliner® Custom Chassis and MORryde® International, to bring you this innovative building design.

Innovation doesn't just happen, it takes a dedicated team of the very best designers and engineers working together to tackle the challenges in the road ahead. From the very start our main focus is you, and you will see that from the moment you step into the motorhome.

The Atlas Foundation™ is a fully integrated basement foundation design. This means that trusses, cross members and ladder assemblies are pre-formed and laser-cut from high-strength, 50 grade HSLA steel, which provides greater resistance to corrosion than carbon steel.

The structure is assembled and welded on a flat, laser-leveled table, then hoisted onto the OEM chassis and welded into place. This system includes a built-in, unit floor leveling system, which maintains the true squareness of the motorhome body and helps prevent crowning.

Fiberglass lined, pass-through storage bays span the width of the unit with steel support under each of the compartments. The steel sub-frame can support more than 1,000 pounds per compartment. Designed to facilitate greater luminosity, the interior mold and mildew resistant fiberglass lining is white, making it easier to see within the compartment in low-light situations.

Built strong and insulated to help reduce heat transfer, the firewall and rear engine cage are fully encased in steel, which eliminates engine and road noise.

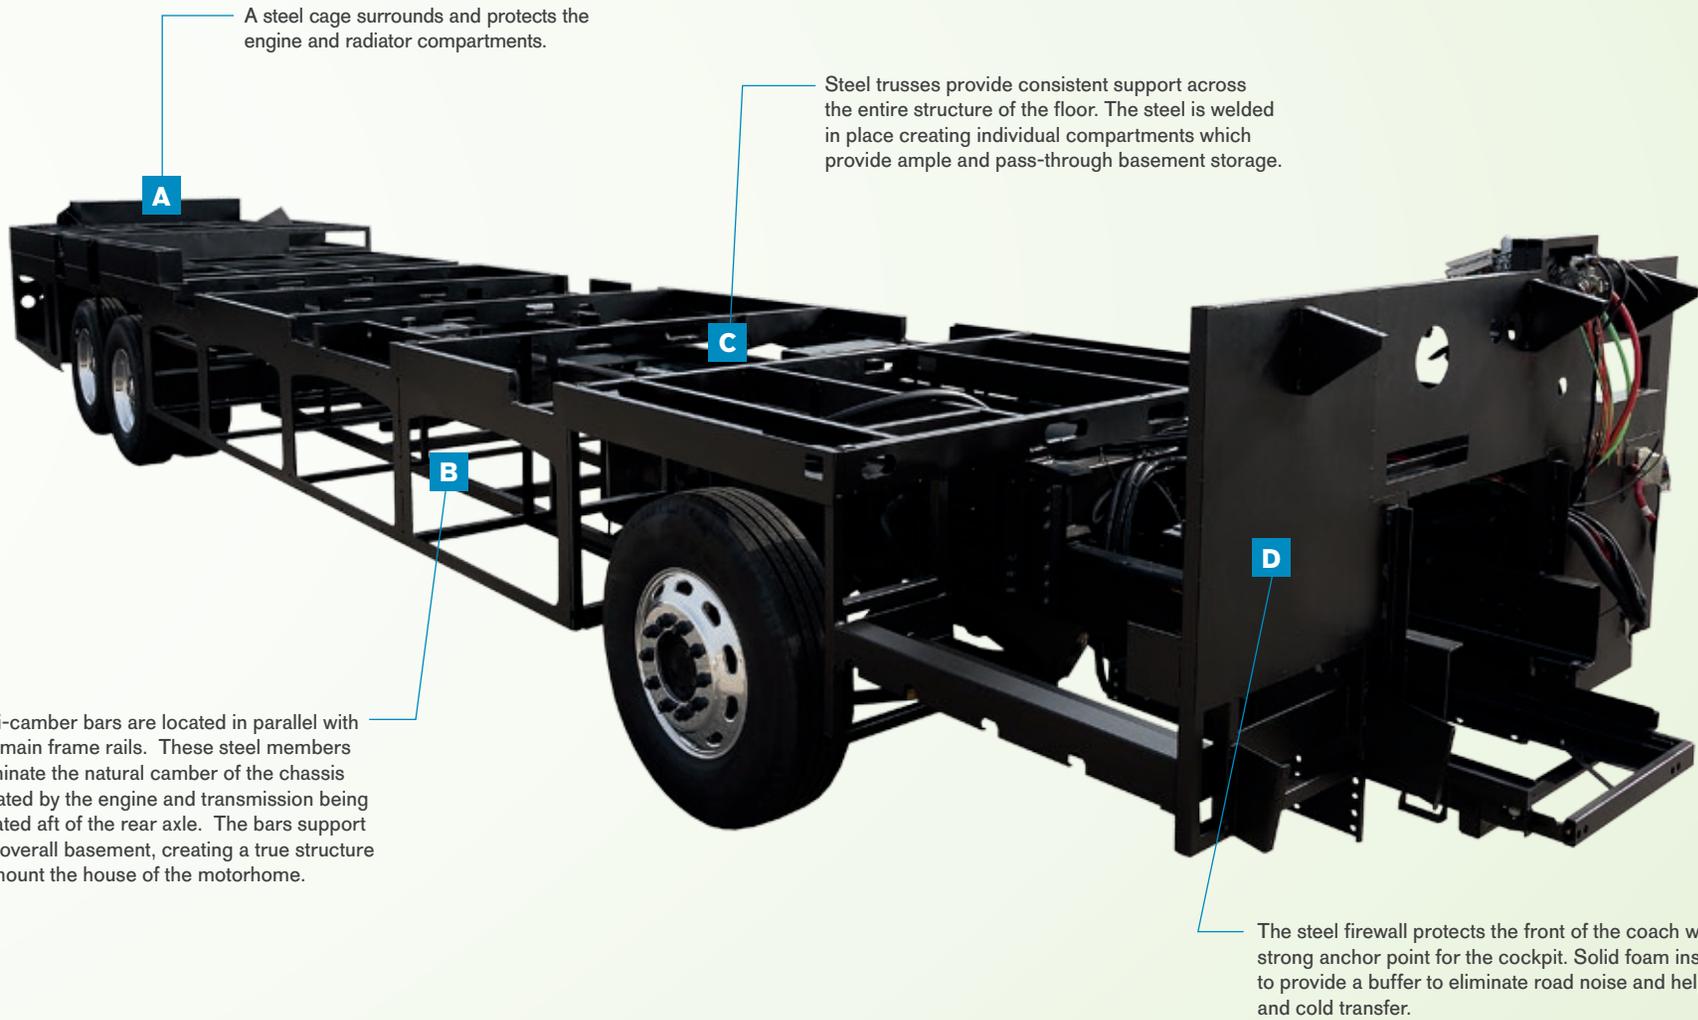

You're the one who will rely on our innovation for years to come. You're the one who will feel the strength of the Atlas Foundation™ as you drive the open road. You're the one who will benefit from our hard work and commitment to excellence.

We didn't just design the Atlas Foundation™, we crafted it to fit you.

Driven By You

A steel cage surrounds and protects the engine and radiator compartments.

Steel trusses provide consistent support across the entire structure of the floor. The steel is welded in place creating individual compartments which provide ample and pass-through basement storage.

Anti-camber bars are located in parallel with the main frame rails. These steel members eliminate the natural camber of the chassis created by the engine and transmission being located aft of the rear axle. The bars support the overall basement, creating a true structure to mount the house of the motorhome.

The steel firewall protects the front of the coach while providing a strong anchor point for the cockpit. Solid foam insulation is added to provide a buffer to eliminate road noise and help prevent heat and cold transfer.

Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure maximum strength.

#### ROOF

- A** One-piece exterior fiberglass roof cap
- B** Luan panels
- C** Aluminum structure with bowed framing
- D** Block foam insulation
- E** Interior panel with soft touch vinyl covering

#### SIDEWALLS

- A** High-gloss or gel-coat fiberglass
- B** Luan panels
- C** Aluminum structure with framing at all openings
- D** Block foam insulation
- E** Interior panel with designer wall covering

#### FLOOR

- A** Porcelain tile flooring
- B** 1/4" cement board underlayment
- C** OSB structure wood base
- D** Structural steel framing
- E** Block foam insulation
- F** Luan with woven plastic exterior finish

# FLOOR PLANS

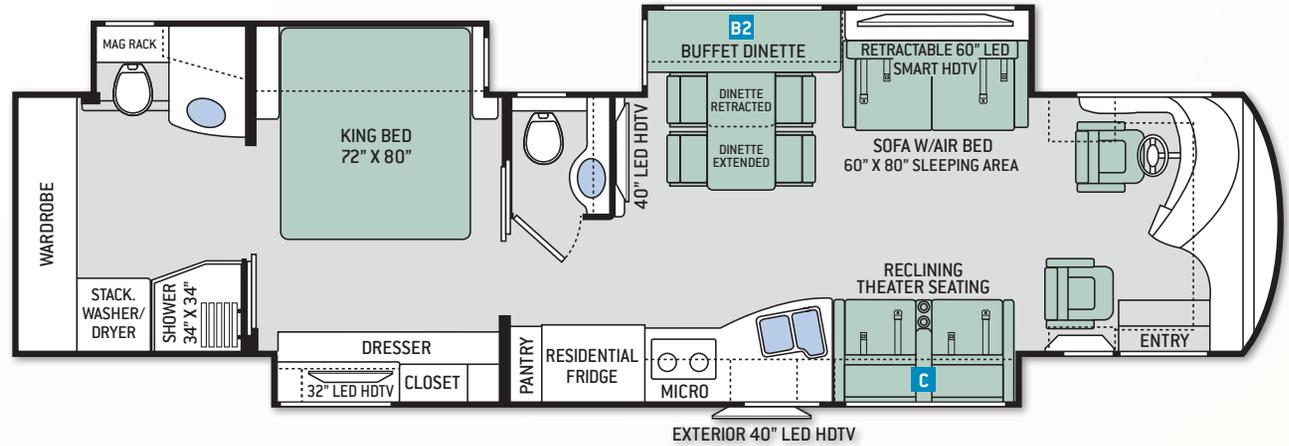

The Tuscany is our most sophisticated line of Class A diesel motorhomes. These luxurious motorhomes offer the ultimate in beauty, style and power, with the most livable floor plans and high-end amenities. The refreshing wide open floor plans are complimented by custom furniture, polished porcelain tile inlay, and high-gloss glazed hardwood cabinetry.

# STANDARDS & OPTIONS

## CONSTRUCTION & EXTERIOR

- Freightliner® XC-R Raised Rail Chassis
- Cummins® ISL Engine with 450HP & 1,250 lb.-ft. Torque
- 6-Speed Allison MH-3000 Automatic Transmission
- ZF® Independent Front Suspension with 60° Wheel Cut
- Full Air Front Disc & Rear Drum Anti-Lock Brakes
- 2-Stage Jacobs® Brake (42GX, 44MT & 45AT)
- Exhaust Brake (40DX)
- 150-gallon Fuel Tank with Dual Fills
- One-Piece Fiberglass Front & Rear Caps
- Domed Fiberglass Roof
- One-Piece Tinted Windshield
- Invisible Bra
- Full-Body Paint Package with Gel-Coat Sidewalls
- Automatic Leveling Jacks with Touchpad Controls
- Side-Hinged Locking Compartment Doors with Electronic Locks
- Full Basement Pass-Through Storage
- Easy Slide Storage Tray
- Power Entry & Patio Awnings with Integrated LED Lighting
- 2nd Power Patio Awning (42GX)
- Slideout Topper Awnings with Aluminum Covers
- Frameless Dual Pane Windows
- Roof Ladder
- Two (2) Patio Lights
- Outside Shower

## AUTOMOTIVE & COCKPIT

- 10" Touchscreen AM/FM Dash Radio with Bluetooth®, GPS Navigation, CD/DVD Player & Back-Up Monitor
- Chrome Heated/Power Mirrors w/Integrated Side Cameras
- Push Button Start
- Primera™ by Ultrafabrics® Reclining/Swivel Captain's Chairs with 6-Way Power Adjustment (Passenger Seat has Electric Footrest)
- Driver & Passenger Overhead Storage Cabinetry

- VIP Smart Wheel
- Adjustable Brake & Accelerator Pedals
- Cruise Control
- Air Horns
- Fog Lights
- Electric Windshield Solar & Privacy Shades
- Manual Side Solar & Privacy Shades
- Electric Step Cover
- 10,000-lb. Trailer Hitch with 7-pin Round Connector (40DX)
- 15,000-lb. Trailer Hitch with 7-pin Round Connector (42GX, 44MT & 45AT)
- 295/80R 22.5" Michelin® Radial Tires with Aluminum Wheels
- Keyless Entry System & Compartment Door Locks

## INTERIOR

- Polished Porcelain Tile Throughout
  - Ceiling Ducted Whisper Air™ Central Cooling System
  - LED Ceiling Lights
  - Decorative Ceiling Treatment with Mood Lighting
  - High-Gloss Glazed Cabinetry with Raised Panel Hardwood Cabinet Doors
  - Window Solar & Privacy Shades
  - Electric Fireplace with Remote Control (42GX, 44MT & 45AT)
  - Primera™ by Ultrafabrics® Sofa with Air Bed (40DX, 42GX & 44MT)
  - Primera™ by Ultrafabrics® Reclining Theater Seating with Footrest (40DX & 42GX)
  - Primera™ by Ultrafabrics® Euro Recliner (45AT)
  - Primera™ by Ultrafabrics® Ensemble with Sofa & Dream Dinette® Booth (44MT)
- ## INTERIOR OPTIONS
- Primera™ by Ultrafabrics® Expanding L-Shaped Sofa with Air Bed (OPT 44MT / STD 45AT)
  - Primera™ by Ultrafabrics® Jack-Knife Sofa (40DX & 42GX)

- Primera™ by Ultrafabrics® Dual Euro Recliners with End Table (44MT)
- Buffet Dinette with Four (4) Chairs – Includes Two (2) Folding (OPT 44MT / STD 40DX, 42GX & 45AT)
- Primera™ by Ultrafabrics® Dream Dinette® Booth (40DX, 42GX, 44MT & 45AT)

## KITCHEN

- 20 cu. ft. Stainless Steel Residential Refrigerator with In-Door Ice & Water Dispenser
- Electric Induction Cooktop
- 1.9 cu. ft. Stainless Steel Over-the-Range Convection Microwave Oven
- Residential Dishwasher Drawer
- Chrome Wire Basket (44MT & 45AT)
- Solid Surface Countertops, Range Cover & Sink Covers
- Large Double Bowl Kitchen Sink & Single Handle Faucet w/Pull-Down Sprayer
- Decorative Tile Backsplash
- 12-volt Attic Fan with Remote Control

## KITCHEN OPTION

- 3-Burner Gas Cooktop

## BEDROOM & BATHROOM

- Denver Mattress® Pillowtop King Size Bed
- Bedspread with Throw Pillows
- Ceiling Fan in Bedroom
- Porcelain Toilet
- Oversized Full Height Shower with Glass Door
- 12-volt Attic Fan in Bathroom

## ENTERTAINMENT

- 40" LED HDTV & 60" LED Smart HDTV in Living Area (40DX & 42GX)
- 48" LED HDTV in Living Area (44MT)
- 60" LED Smart HDTV in Living Area (45AT)
- Surround Sound Blu-Ray Home Theater

- 32" LED HDTV in Bedroom
- Exterior 40" LED HDTV
- Cable TV & HDMI Video Ready
- Winegard™ TRAV'LER HD Satellite Dish

## ENTERTAINMENT OPTIONS

- 32" LED HDTV in Cockpit Overhead (44MT & 45AT)

## ELECTRICAL & PLUMBING

- Cummins Onan® RV QD 10000 Sliding Diesel Generator
- Automatic Generator Start
- 50-amp Shoreline Power Cord & 12-volt Retractable Cord Reel
- 2000-watt Pure Sine Inverter/100-amp Converter
- Three 15,000 BTU Low-Profile Air Conditioners with (3) Heat Pumps
- Energy Management System
- Pre-Wired for Solar Charging
- Emergency Start Switch
- Four (4) Auxiliary House Batteries
- Battery Disconnect Switch
- Exterior GFCI Recept
- Enclosed & Heated Holding Tanks
- E-Z Flow Water Panel with Whole-House Water Filtration
- Black Tank Flush System
- Systems Control Center
- Stackable Washer & Dryer
- Central Vacuum System with Toe-Kick Dustpan
- Aqua-Hot® 400D Hydronic Furnace & Water Heating System

Thor Motor Coach is the industry leader in innovative design and builds a variety of unique styles, sizes and floor plans that feel custom-made – at a truly competitive price.
