

London Aire

LUXURY MOTORCOACH

Refreshing

You've earned a break. The 2022 London Aire is here to help you get refreshed, with luxurious features and innovations. These start the moment you say "go," with the Comfort Drive™ steering system, tire-pressure monitoring, and electronic stability control to help you glide down the road. OnGuard™ collision mitigation technology, Mobileye lane tracking, and adaptive cruise control are all here to add additional safety. There are five available floor plans for the London Aire, including one new for 2022, to help you feel at your most relaxed.

Elevated Environment

Even the outdoors are a little more luxurious when you're sitting outside the 2022 London Aire. A full-paint Masterpiece Finish™ and two Girard® Nova side awnings make for an enjoyable view. Add an optional outdoor entertainment center with an Samsung® 43" 4K LED TV and soundbar—powered by a 12.5 kW Cummins Onan® diesel generator—to enjoy your environment even more. Don't miss the large double pane windows to really help you take in the view.

Geneva full-paint Masterpiece Finish™

Arrive in Style

The drive starts with Ultraleather® six-way power captain's chairs and a passenger seat with a workstation. A new Xite dash system features dual 10" color monitors with a Nav-N-Go navigation system, which uses your coach's dimensions as it determines the best travel routes. It also displays views all around you from the 360-degree camera system. Multiple USB charging stations are included from the cockpit to the cabin to keep your devices ready to go, and the London Aire comes standard with an in-coach Wi-Fi solution, so you stay connected. Speaking of, a new smartphone app allows you to control many of the coach's features using Wi-Fi, like entry and baggage door locks, climate control, security lights, and even more.

Floor plan 4551 with Geneva décor and Sable Maple high-gloss cabinetry

A Curated Cabin

The height of stylishness and the utmost in comfort, the cabin of the London Aire is the perfect place to sink into your surroundings. A sofa with pull-out sleeper—or optional pair of recliners with reading lights—make for the perfect place to relax and enjoy the power retractable Samsung® 4K LED TV and Bose® soundbar. Further back, there's plush seating surrounding the hide-a-bed sofa and Euro booth dinette. And you'll be perfectly warm when there's a nip in the air thanks to amenities like a heated porcelain tile floor.

A Taste of Class

The galley in the London Aire combines form with function. A modern appliance suite includes a refrigerator and microwave—with a dishwasher as an available option—so you can cook and clean up quickly. An under-mounted stainless steel sink sits beneath super-polished countertops that are surrounded by a tile backsplash and high-gloss glazed maple hardwood cabinetry with raised panel, soft-close doors. A window—even larger for 2022—allows in plenty of light and beautiful views.

A Good Night's Sleep

In the master suite of the London Aire, you're greeted with a king-size pillow top mattress, which is upgradeable to a Sleep Number® adjustable mattress, with a quilted bedspread. Just need a quiet respite? Enjoy the Samsung® LED TV across from the bed. The wardrobe is loaded with space, with a generous dresser and self-closing drawers next to a large closet. You'll also find a stacked washer and dryer.

Do Not Disturb

For real privacy, the spa-like master bath of the London Aire gives you a quiet place to slip away. On rear floor plans, a cathedral ceiling adds extra height, and a designer feature ceiling helps finish the space beautifully. A glass-door shower with tiled walls has a built-in bench and water conservation system. The medicine cabinet with lighted mirrors is mounted above the custom sink, which in turn is mounted beneath super-polished countertops. The mid-ship half bathroom is the perfect space for guests, and offers many of the same stylish appointments, including a tile backsplash.

Stow Away

Outside the London Aire you'll find a wealth of baggage space with power door locks. There's also keyless entry to help keep your coach safely sealed while you're not there. Once you're back, you can enjoy a beverage or snack without stepping inside, thanks to the Dometic® pull-out freezer, and rest while you enjoy the optional outdoor entertainment center. You can even enjoy an outdoor nap with the optional patio hammock package.
