

*Fiesta LX*  
CLASS A GAS

GET THAT “KID IN A CANDY STORE” FEELING.

2008 Fiesta LX

 FLEETWOOD.

## LIFE IS ABOUT TO GET A LOT MORE EXCITING.

With your Fiesta LX ready and waiting for adventure, the possibilities for fun are endless. Just grab your family, friends and gear – there's space for everybody and just about everything in this roomy coach. And you'll go in style, because Fiesta LX is Class A all the way. In fact, it offers many upscale features usually found in coaches that sell for thousands more. Just discovering all its bells and whistles could take up a long weekend!

### Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

FIESTA LX

**The Driver's Cockpit** is ergonomically designed, with a tilting steering wheel and controls within easy reach. An AM/FM stereo radio with CD player discourages endless rounds of "100 bottles of beer on the wall."

**The Entertainment Center** features a big 24" flat panel TV, so everybody can watch those embarrassing old home movies you brought. A Samsung® 23" LCD HDTV is optional.

### Why Buy Fiesta LX?

**Fiesta LX 34N** shown in Cabernet interior décor with Windsor Birch wood cabinetry.

#### **Family-Friendly Design**

There's lots of room inside for the whole gang to relax, a private bedroom suite for mom and dad, and a ton of storage outside.

#### **More for Your Money**

Owning a Fiesta LX is a sure sign of a smart shopper with an eye for value. Competitors simply can't match its features and quality for the price.

#### **Comfy and Convenient**

Each floor plan is carefully designed for smooth flow, and the furniture is comfortable and highly durable.

#### **Built-In Safety Features**

Dozens of safety features are built into Fiesta LX to provide peace of mind and protect your most precious cargo – your family.

#### **High-Quality Construction**

We take great pride in our careful construction techniques, and the high quality of Fiesta LX shows in every detail.

#### **Fleetwood Reputation**

With over 55 years in business, Fleetwood's reputation is second to none. We offer one of the most comprehensive warranties in the industry.

# IT'S LIKE CAMPING IN A CASTLE.

Camp with all the comfort and conveniences of home in Fiesta LX. For example, you'll be warm and toasty thanks to baseboard-mounted heat registers and padded wall-to-wall carpeting. The galley puts your appliances within easy reach so it's convenient to make meals on the go. And to give you more countertop space, a folding countertop extension flips up when you need it (select models). So whether you're into camping or tailgating, ATVs or jet skis, Fiesta LX is a comfortable home base.

## Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

FIESTA LX

**The Refrigerator and Pantry** store enough food for a hungry family. The Dometic® refrigerator and freezer hold 8 cu. feet of cold food and beverages, hidden behind raised panel doors. The big pantry is sure to be snack central.

**The Large Dinette** seats four comfortably so you'll have no elbow wars at mealtime. It's a great spot for a rousing board game after dinner, and then it can quickly convert into a convenient bed.

**The Overhead Galley Storage** is deep enough to store full-sized plates, unlike many competitors. The shelves are adjustable, and lined so your dishes won't shake, rattle and roll.

**The Under-Sink Storage** offers extra storage because we've designed the plumbing to take up minimal space, unlike many competitors. It's a great place to keep all your cleaning supplies in case your teenager wants to earn some allowance money. Or not.

**The Pots and Pans Drawer** is designed to hold tall and large cookware. Go ahead, make a big pot of chili for the potluck dinner.

**The Galley** helps you whip up meals fast, with a cooktop and convection microwave oven (optional). Cleaning up is a snap too. You can turn on the single-lever faucet with one hand, and the sprayer is handy for rinsing dishes. The double-bowl sink is deep to give them a nice sudsy bath.

## Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

**The Bedroom Suite** lets you rest your weary bones after a long day on the ATV – or the lawn chair. The queen-size bed faces the vanity, with an optional 20" flat screen TV or Samsung® 19" LCD HDTV overhead.

**The Bathroom** is clean, deluxe, and all yours. The roomy shower is perfect for washing that campfire smoke out of your hair with a hand-held showerhead, and the kids will love splashing in the bathtub (34N model only). The medicine cabinet above the sink holds enough grooming supplies for teenage girls. That's saying a lot.

## AT NIGHT, IT'S NICE TO SHUT THE DOOR ON NATURE.

It's pleasant to hear the crickets chirping and owls hooting – when they're safely outside your cozy Fiesta LX. And with its sound-dampening ceiling, you may not even hear them. It's just one small example of the attention to detail, quality of engineering and smart construction that goes into our motor homes. You can sleep better knowing we test them for miles upon miles to ensure long wear. Sweet dreams – on the high-quality innerspring mattress.

**Bunk Beds** (optional on 34N model only) are beloved by kids and teenagers alike. Each bunkmate can have their own optional flip-down TV screen with inputs for their portable DVD or video game players. Wireless headphones are included. If there's just one camper, use one bunk to store extra gear, with hanging nets to keep it secure.

FIESTA LX

## YOUR PERSONAL FIESTA LX.

Put a personal stamp on your coach by mixing and matching the décor options you like best. First, choose the fabric palette, next select your wood finish, and then pick the exterior color. You've just decorated your Fiesta LX.

## WOOD FINISHES

Plantation Cherry

Windsor Birch

## FULL-BODY PAINT AT NO EXTRA PRICE.

Glossy, impressive full-body paint is typically an expensive option, or featured on motor coaches in the six-figure range. Yet Fiesta LX offers full-body paint standard, in your choice of three attractive colors. DuPont® paint is applied in a two-stage process for maximum durability and a striking finish.

### Gold Rush

### Patina

### Pebble Beach

## EXTERIOR FEATURES

- 1 **Rear-Mounted Fuel Fill** so you can pull into any space at the gas pump and fill up.
- 2 **Patio Awning** provides a shady spot for outdoor conversation.

Vehicle shown in Pebble Beach exterior graphics.

- 3 **Electronic Holding Tank Level Sensor** determines tank levels more accurately.
- 4 **4.0 KW Onan® MicroQuiet Generator** runs quietly but provides plenty of power for dry camping. For even more power, upgrade to the optional 5.5 KW Onan® generator.

## THE POWER PLATFORM® PLUS. BUILT FOR STRENGTH, STABILITY AND PASS-THROUGH STORAGE.

Fleetwood's patented Power Platform® Plus is the envy of our competitors. The ultra-strong chassis provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

- 1 **EZ Store**
- 2 **Pass-Through Storage Compartment**
- 3 **Large Towing Capacity†**
- 4 **Storage Maximizer**

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

## STOW, STOW, STOW YOUR STUFF.

Fiesta LX comes with three huge outside storage compartments, because families usually carry a lot of stuff.

**Pass-Through Storage** is the place for dog crates, skis, and any other oversized items. And you can access them from either side of the motor home (except 3IM model).

**EZ Store** offers an extremely long storage space for fishing poles or a ladder. And it moves with the slide-out so you don't have to stoop under the rig.

**Storage Maximizer** is ideal for longer items like paddles, water skis and golf clubs. Easy access makes it, well, easy.

## PEACE OF MIND INCLUDED, STANDARD.

Fleetwood engineers have built dozens of safety features into Fiesta LX to keep your family safe. Of course, we've included 3-point seat belts for the driver and passenger, safety-belted seating locations inside for other passengers, and a child seat safety tether (depending on model). A few other notable safety features include hydraulic powered disc brakes and ABS on all four wheels, and leveling jacks that automatically retract if the drive gear is engaged.

### Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

FIESTA LX

31M

Interior Storage Capacity: 137 cu. ft.  
Exterior Storage Capacity: 120 cu. ft.

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (6.1 lbs/2.8 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)  
Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity\*.
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

- The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

\*UVW and CCC are found on the cargo carrying capacity label in each RV.
